(and when morning comes).....

Up all night, sleep all day

Up all night, sleep all day

(musical interlude)

When evenin comes

I am alive

I love to prowl around in the streets

Its the moonlight

That controls my mind

NOW I've got the power to speak, yeah

(awake from dusk to dawn)

Under the city lights

(stars are shinin down)

They'll be shinin down on you and I

(and when morning comes)

I'll hold you till the mornin light

Everybody sing it now

Up all night

Sleep all day

Up all night

Sleep all day

That's right

Ah ahhh ahhhhh

Drivin down the boulevard

All alone

The neon signs are callin my name

Find me in the corner

Havin the time of my life

I think you'd wanna do the same

(awake from dusk to dawn)

Under the city lights

(stars are shinin down)

They'll be shinin down on you and I

(and when morning comes)

I'll hold you till the mornin light
Everybody sing it now

Up all night
Sleep all day
Up all night
Sleep all day
That's right
Up all night
Sleep all day
C'mon c'mon
Up all night
Aww baby if we could stay up
24 hours a day
Uuh
Aaaaaaaaahhhhhhhhhh...

(guitar solo)

(awake from dusk to dawn)
Under the city lights
(stars are shinin down)
They'll be shinin down on you and I
(and when morning comes)
I'll hold you till the mornin light
Everybody sing it now

Up all night
Sleep all day
Up all night
Sleep all day
C'mon c'mon
Up all night
Sleep all day
That's right
Up all night
Sleep all day
Up all night.....(fade out)
(fade in)
Land where our fathers died
Land of the pilgrims pride
From every mountainside
Let freedom ring
