You are the voice of reason that I can't escape
Cut me down a thousand times a day
I don't need you anymore
I don't need you anymore

I trusted you and there was no one else
All you did was make me doubt myself
Don't believe you anymore
Don't believe you anymore

You bled me out
You tore me down
Your time has come
You can go

'Cause you're a liar, liar
Lie!
All my faith's been wasted, wasted
'Cause you're a liar, liar
Lie!
I don't need you to save me anymore

I'm fragile, but I'm not a fool
I won't hear another word from you
You won't hurt me anymore
You won't hurt me anymore
The hand I held just held me down
It took so long, now I know

'Cause you're a liar, liar
Lie!
All my faith's been wasted, wasted
'Cause you're a liar, liar
Lie!
I won't sit here and take this anymore

You can say anything that you wanna say
But my attention's long gone and turned away
You're such a lie
You were only the enemy
Everything you are, I will deny

(Solo)

'Cause you're a liar, liar

Lie!

I'll just come out and say it, say it

'Cause you're a liar, liar

Lie!

All my faith's been wasted, wasted

'Cause you're a liar, liar

Liar!

I don't need you to save me anymore

I don't need you to save me anymore

I don't need you to save me anymore
