Get your motor running
Head out on the highway
Looking for adventure
And whatever comes our way
Ya darling go make it happen
Leave the world in a dull disgrace
Fire all your guns and once in
Explode into space
I like smoke and lightning
Heavy metal thunder
Racing with the wind
And the feeling that I'm under
Ya darling go make it happen
Leave the world in a dull disgrace
Fire all your guns and once in
Explode into space
'cause you're a true metal child
We were born, born to be wild
We can climb so high
I never want to die
Born to be wild
Born to be wild
Get your motor running
And head out on the highway
Looking for adventure
And whatever comes our way
Ya darling go make it happen
Leave the world in a dull disgrace
Fire all your guns and once in
Explode into space
'cause you're a true metal child
We were born, born to be wild
We can climb so high
I never want to die
Born to be wild
Born to be wild hey hey, ow
