I have always compromised...buried me with all my lies...

You belong to something else...that isn't tainted or pre-meditATED!!!

(chorus:)

QUIET!!!!DON'T TELL ANYONE!!!

It's just a secret...you'll never keep it...

QUIET!!!!DON'T TELL ANYONE!!!

It's just a secret...so CAN YOU KEEP IT???...

Stories started in my head...from those messed up things you said...

They began to take control...got the warning, it's all...over...

(chorus)

QUIET!!!!!!!DON'T TELL THEM!!!!!!!

It's just a secret...you'll never!!!!...

('2nd chorus':)

Chaos,caffeine love affair...hurts too much,don't touch me there...

Chaos,caffeine love affair...I hate when you touch me there...

Chaos,caffeine love affair...hurts too much,don't touch me there!!!

CHAOS,CAFFEINE LOVE AFFAIR!!!!...I HATE WHEN YOU TOUCH ME THERE!!!

Please don't touch me there,please,don't touch me there...

('2nd chorus' -twice-)

QUIET!!!!!!!QUIET!!!!!!!QUIET!!!!!!!DON'T TELL THEM!!!!
