You were so, so special
To all who, ever knew you

Wanna give you the honest answer
Wanna tell you how much I care
Wanna give you what you're givin' me
Why'd you have to

Go
You've left us all to
Go
And get the answers

I'm not goin' home right now
I'm not goin' to watch you go
I'm not goin' home right now
To find you broken

You were so, so special
To all who, ever knew you

Wanna give you the honest answer
Wanna tell you how much I care
Tell me what is the reason that you
Ever had to

Go
You've left us all to
Go
And get the answers

I'm not goin' home right now
I'm not goin' to watch you go
I'm not goin' home right now
To find you broken

(distorted speech)

Go
Why'd you have to
Go

You've got the answer

I'm not goin' home right now
I'm not goin' to watch you go
I'm not goin' home right now
I'm not goin' to watch you go
I'm not goin' home right now
I'm not goin' to watch you go
I'm not goin' home right now
To find you broken
