On your back look on to me
You'll see genocide
Face from death more than insane
Profane pleading cries
Watch you die inside, watch you die
Preach no love no ministry

God send death end misery
Pray for sin a shattered faith
Down on your knees

You're screaming out to die
Death is over due
A morbid symphony
Nothing can save you
Taking life from you
Hearing you lie screaming
Is all I want to do
Desire so deranged
This is what lives inside me
Putrid blood flows through my veins

To thrive on demise
Moyeurs' lust watching the pain
Touching you inside
Bleed you fucking dry
Bleed on me

Death's design blood splattered wall
Down on your knees
Face melting one viscious whore
Twisted figures flesh from bone
You're screaming out

To die
Death is over due
Nothing can save you
A morbid symphony
Hearing you lie screaming
Taking life from you
Is all I want to do

Desire so deranged
This is what lives inside me

Clawing at the eyes of God
Your fingers bleed in vain
Clawing at the eyes of God
You taste your death in hand
You scream-in your grave
You pierce your throat and hands
You've gon insane with pain
You're blind screaming for your God
Pathetic God

Death's design blood splattered wall
Face melting one viscious whore
Twisted figures
Drown your mind in pain
