NOW ALL I FEEL IS
NOTHING BUT PAIN
YOU'VE SORTED
OUT MOST EVERYTHING
I'VE GAINED
AND IN THE WAKE OF IT ALL
I SEE YOUR FACE
SMILING BACK AT ME
I WON'T FORGET YOU
I CAN'T FORGET YOU
GROW JUST SEE WHAT IT
TAKES TO GROW
STEP UP TO THE PLATE
AND THROW
JUST SEE WHAT IT TAKES TO
I'VE BECOME A KAFKA BUG
DROPPING MY HARDCORE SHIT
LIKE RAT CRAP
WE ARE IN THE DRIVERS SEAT NOW
AND EVERY TIME I SEE YOUR FACE
I SEE A BOTTLE STUCK IN IT
MAN, YOU'RE JUST LIKE ME
I CAN'T STAND BY YOUR SIDE
