By Suicidal Tendencies

Bombers in flight  
Trident missiles in the air  
My missiles underground  
Protect us till we're dead

Memories of tomorrow-crying sorrow

Push the button  
Kiss good-bye the nuclear arsenal  
A bomber flying off their ramps  
Nuclear bombs explode

Radio active people  
Search for medicine  
Pray for shelter  
Kill for food

Memories of tomorrow-crying sorrow

Mass starvation  
Contaminated water  
Destroyed Cities  
Mutilated bodies

Memories of tomorrow-crying sorrow

I'll kill myself  
I'd rather die  
If you could see in the future  
You'd know why

Memories of tomorrow
