There's no direction  
And no way through  
There is no reason  
To pay back what is through  
You never owned intentions  
Never knowed no way back  
Never knowed no way back

But I know you're only asking  
And I know you might just care  
You only ring my number  
For the answer that's not there  
You know the cost of everything  
And the value of nothing  
The only thing that's certain  
Is you're bound to love again

And he just came from Eden  
Where the fruit was on the tree  
And he passed me some and signalled  
That the world was there to see  
And it seemed so wide and opened  
And it seemed to be so free  
It seemed to be so free

Well you opened up the cage  
And you let us fly away  
You saw us as we carried  
All the gifts that you now see  
You know the cost of everything  
But you value what you yearn  
The only thing that's certain  
Is you're bound to love again  
Bound to love again  
Bound to love again

Bound to love again  
Bound to love again

You know the cost of everything  
And the value of nothing  
The only thing that's certain

Is you're bound to love again

I know you're only asking  
And I know you might just care  
You only ring my number  
For the answer that's not there  
You know the cost of everything  
And the value of nothing  
The only thing that's certain  
Is you're bound to love again

You're bound to love again  
Bound to love again
