15 books in

Different covers

Winter comes in

Many colors

Kids toys, broken glasses

Elvis live in Vegas

Still turning

All the worthless things

We're paying in

Pounds of sugar

Here it comes

Blankets from the

Social fund

Snooker balls and

Spanish divers rocks full

Of cat hair

All the worthless things

For the warrant's sake

Maybe you'll be so kind and take

The shirt right from my back

That's got my kid

I'd even smile for you

With my cut lip

With my cut lip

With my cut lip

With my cut lip

Talkin' away

My rent is due

Didn't get my

Last few

Playing on the satellite dish

Finally nights to switch to

Blue films loon tunes

Purple moons

Every motherfucker

Will be on it soon

Maybe you'll be so kind and take  
The shirt right from my back  
That's got my kid  
I'd even smile for you

With my cut lip  
With my cut lip  
With my cut lip  
With my cut lip

With my cut lip  
With my cut lip  
With my cut lip  
I bend my cut lip

With my cut lip  
With my cut lip  
With my cut lip
