What do you get when you fall in love
A girl with a pin to burst your bubble
That's what you get for all your trouble
I'll never fall in love again
I'll never fall in love again

What do you get when you kiss a girl
You get enough germs to catch pneumonia
After you do, she'll never phone you
I'll never fall in love again
I'll never fall in love again

Don't tell me what it's all about
Cos I've been there and I'm glad I'm out
Out of the chains, the chains that bind you
And that's why I'm here to remind you, ooh
What do you get when you fall in love
Nothing but pain, lies and sorrow
So for at least until tomorrow
I'll never fall in love again
I'll never fall in love again

What d'you get when you fall in love
What d'you get when you fall in love
I'll never fall in love
What d'you get when you fall in love
Never fall in love
What d'you get when you fall in love
I'll never fall in love
What d'you get when you fall in love
I'll never fall in love
