Walk the hill, slowly down  
Get all of Saturday's news  
From the back of the Grampian end  
All Fife's kingdom is in view

The pitch it looks like Blackpool  
Sound and light and tangerine  
When Andy Dickson's treatment time comes  
The Dens reserve game can be seen

And I'm Proud To Be An Arab  
Proud of my home team  
And I'm Proud To Be An Arab  
Old times...and new  
The half-time scores make a rusty rising  
The crowd are glad of the news  
Warmed by the Bovril and the scoreline  
The Old Firm 1, Dundee 2

And I'm Proud To Be An Arab  
Proud of my home team  
Yes I'm Proud To Be An Arab  
Old times...and new
