Tuesday morning and there's not enough  
To keep me going in this coffee cup  
I traded all my T-shirts for a suit and tie  
I see a stranger in the mirror and he wonders "why?"  
But now I'm sayin, "Goodbye"

I'm alive  
Trying to find  
What I have been waiting for  
It's you, and I  
Tell you tonight  
What I could not say before  
"Take me somewhere brighter"  
So it's you, and I  
Tell you tonight  
What have I been waiting for?

Taking all my records and a grammophone (oh no)  
I know I'm gonna make it if I'm not alone  
I'll meet you in the morning in a Gypsy cab  
Try to do better than we've ever had before  
So now I'm sayin, "Goodbye"

I'm alive  
Trying to find  
What I have been waiting for  
It's you, and I  
Tell you tonight  
What I could not say before  
"Take me somewhere brighter"  
So it's you, and I  
Tell you tonight  
What have I been waiting for?

If ever, if ever, if ever you should go  
I want, I want, I want you to know  
If ever, if ever, if ever you should go  
I think that you should know

I'm alive  
Trying to find

What I have been waiting for  
It's you, and I  
Tell you tonight  
What I could not say before  
"Take me somewhere brighter"  
"Take me somewhere greener"  
So it's you, and I  
Tell you tonight  
What have I been waiting for?
