I, I wanna hear you
Not, not gonna stay here
I, I wanna hear you
Not, not gonna stay here

It's a shame it had to be this way
Oh baby what can I say
I don't know what you feel for me
But all I know is that you can't let me be
You can't let me be, you can't let me be

(Tell me, tell me baby)
(Tell me, tell me baby)

You broke my heart before I begun (you broke my
heart)
You can't show, show me your love (show me your love)
And all I see are your lies
Oh don't you know you can't disguise
Or hide your shame 'cos it's your middle name

CHORUS

So why don't you
Tell me, tell me
I wanna hear you say you want and need me too
So tell me, tell me
Not gonna stay and wait here baby cryin' for you

(Why don't you, why don't you tell me baby)

You can't say you wanna be with me (wanna be with
me)
'Cos actions speak louder than words
And your excuses they have no truth (have no truth,
have no truth)
I'm giving up, there's just no use for you

CHORUS

So why don't you
Tell me, tell me
I wanna hear you say you want and need me too

So tell me, tell me
Not gonna stay and wait here baby cryin' for you

So tell me, tell me
I wanna hear you say you want and need me too
(I wanna hear you say you want me too)
So tell me, tell me
Not gonna stay and wait here baby cryin' for you
(Not gonna stay here baby cryin' for you)

(I wanna hear you say you want me too)

I, I wanna hear you
Not, not gonna stay here
I, I wanna hear you
Not, not gonna stay here

(I wanna hear you, not gonna stay here)
(I wanna hear you, not gonna stay here)

CHORUS

So tell me, tell me
I wanna hear you say you want and need me too
So tell me, tell me
Not gonna stay and wait here baby cryin' for you

So tell me, tell me
I wanna hear you say you want and need me too
So tell me, tell me
Not gonna stay and wait here baby cryin' for you

Repeat til fade
