

Sleeping Lions "Painting Peace"

Visit "[Painting Peace](#)" on MotoLyrics.com

If only there was colour
In this world of black and white
You know there'd be more love
Than hate can even fight
So lets splash the world with paint
Let's draw a world of love
If we can work together
We can build a world of peace

And there will be an answer
A salvation that can save us all
Let's work together, sing forever
We can build a world of peace

If only there was more music
In this world of silence
You know this world could find
A brand new peaceful science
So lets fill the world with sound
Lets just dance around
If we work together
We can build a world of peace

And there will be an answer
A salvation that can save us all
Let's work together, sing forever
We can build a world of peace
