"You'll Fall Apart"

You'll die alone
And so you'll learn
And so you're heard
You're senseless in descent

You're senseless in descent
Dear Alice, our lament.

Darkness fills the void
All friendship you avoid
Thoughts of death remain
And so they'll never know your name
And so you'll remain
Dear Alice please refrain
Final thoughts touch your brain
You're not the only one feeling pain.

Dearest Alice don't empty your heart
It's the first step to falling apart
Dearest Alice you're all I have
Please don't betray the trust I gave.
