[Intro:]

Stay for tonight
If you want to
I can show you
What my dreams are made of,
As I'm dreaming of your face
I've been away for a long time
Such a long time
And I miss you there
I can't imagine being anywhere else
I can't imagine being anywhere else but here

[Verse 1:]

How the hell did you ever pick me?
Honestly, I could sing you a song
But I don't think words can express your beauty
It's singing to me
How the hell did we end up like this?
You bring out the beast in me
I fell in love from the moment we kissed
Since then we've been history

[Chorus:]

They say that love is forever
Your forever is all that I need
Please stay as long as you need
Can't promise that things won't be broken
But I swear that I will never leave
Please stay forever with me

[Verse 2:]

It goes to show, I hope that you know that you are
What my dreams are made of
Can't fall asleep, can't fall asleep
I lay in my bed awake, in my bed awake at night
As I dream of you
I'll fall in love, you'll fall in love
It could mean everything, everything to me
I can't imagine being anywhere else

[Chorus:]

They say that love is forever

Your forever is all that I need
Please stay as long as you need
Can't promise that things won't be broken
But I swear that I will never leave
Please stay forever with me

[Bridge:]

The way that we are
It's the reason I stay
As long as you're here with me
I know we'll be Ok
The way that we are
It's the reason I stay
As long as you're here with me
I know I'll be Ok

[Chorus:]

They say that love is forever
Your forever is all that I need
Please stay as long as you need
Can't promise that things won't be broken
But I swear that I will never leave
Please stay forever with me

(I couldn't love just anyone, I was created to love just
one baby)
They say that love is forever
Your forever is all that I need
(I couldn't love just anyone, I was created to love just
one girl)
Please stay as long as you need

(I couldn't love just anyone, I was created to love just
one baby)
Can't promise that things won't be broken
But I swear that I will never leave
(I couldn't love just anyone, I was created to love just
one girl)
Please stay forever with me
