I met a girl at seventeen  
Thought she meant the world to me  
So I gave her everything  
She turned out to be a cheat  
Said she'd been thinking for a long time  
And she found somebody new  
I've been thinking that this whole time

Girl, I never thought you'd stay, that's okay  
I hope he takes your filthy heart  
And then he throws you away someday

Before you go, there's one thing you oughta know

If you can't hang then there's the door, baby  
If you can't hang then there's the door, baby  
If you can't hang then there's the door, baby  
If you can't hang then there's the door

I don't wanna take your precious time  
'Cause you're such a pretty, pretty, pretty, pretty face  
Well you turned into a pretty big waste of my time

I don't wanna take up all your time  
'Cause you're such a pretty, pretty, pretty, pretty face  
Well you turned into a pretty big waste of my time

You're the lowest type, you're the lowest

I met a girl stuck in her ways  
She found a boy she knew she'd change  
I changed my clothes, my hair, my face  
To watch us go our separate ways

She said we'd grown apart for sometime  
But then she found somebody new  
I hope Mr. Right puts up with all the bullshit that you do

Stay the hell away  
While I sit here by myself  
To figure out how I got this way

Before you go, there's one thing you oughta know

If you can't hang then there's the door, baby  
If you can't hang then there's the door, baby

If you can't hang then there's the door, baby  
If you can't hang then there's the door

I don't wanna take your precious time  
'Cause you're such a pretty, pretty, pretty, pretty face  
Well you turned into a pretty big waste of my time

I don't wanna take up all your time  
'Cause you're such a pretty, pretty, pretty, pretty face  
Well you turned into a pretty big waste of my time

I don't wanna get this confused  
She said she never settle for some boy she couldn't  
use

So now I gotta call the doctor  
So we can prescribe me medication  
So I can deal with all the memories  
Of being near this way

I met a girl at twenty-three  
Knew she meant the world to me  
So I gave her everything  
And she did the same for me

Imagine that!

'Cause you're such a pretty, pretty face  
No, you're such a pretty, pretty face

Whoa...  
Yeah...

'Cause you're such a pretty, pretty face  
No, you're such a pretty, pretty face

I don't wanna take your precious time  
'Cause you're such a pretty, pretty, pretty, pretty face  
Well you turned into a pretty big waste of my time

I don't wanna take up all your time  
'Cause you're such a pretty, pretty, pretty, pretty face  
Well you turned into a pretty big waste of my time

Would you please stay and come inside, baby?  
Would you please stay and please be mine, baby?

Would you please stay and come inside, baby?  
Would you please stay and please be mine?
