Stay for tonight  
If you want to  
I can show you  
What my dreams are made of,  
as I'm dreaming of your face  
I've been away for a long time  
Such a long time  
And I miss you there  
I can't imagine being anywhere else  
I can't imagine being anywhere else but here

[Verse 1:]

How the hell did you ever pick me?  
Honestly, I could sing you a song  
But I don't think words can express your beauty  
It's singing to me  
How the hell did we end up like this?  
You bring out the beast in me  
I fell in love from the moment we kissed  
Since then we've been history

[Chorus:]

They say that love is forever  
Your forever is all that I need  
Please stay as long as you need  
Can't promise that things won't be broken  
But I swear that I will never leave  
Please stay forever with me  
(If you want to, I can show you)  
(If you want to, I can show you)

[Verse 2:]

It goes to show, I hope that you know that you are  
What my dreams are made of  
And I can't fall asleep  
I lay in my bed awake  
And I'll fall in love, you'll fall in love  
It could mean everything, everything to me  
Oo Oo, This could mean everything to me

[Chorus:]

They say that love is forever  
Your forever is all that I need  
Please stay as long as you need  
Can't promise that things won't be broken  
But I swear that I will never leave  
Please stay forever

[Bridge:]  
The way that we are  
It's the reason I stay  
As long as you're here with me  
I know I'll be Ok

(La da da, La da da, da da)  
(La da da, La da da, da da)  
(La da da, La da da, da da)  
(oh oh oh-oh-oh-oh)

(La da da, La da da, da da)  
(La da da, La da da da, da da)  
(La da da, La da da da, da da)  
(oh oh oh-oh-oh-oh)

[Chorus:]  
They say that love is forever  
Your forever is all that I need  
Please stay, Pleas stay as long as you need  
Can't promise that things won't be broken  
But I swear that I will never leave  
Please stay forever with me

(It goes to show i hope that you know that you are, what  
my dreams are made of)  
(It goes to show i hope that you know that you are, that  
you are )  
Please stay please, stay as long as you need

(It goes to show i hope that you know that you are, what  
my dreams are made of)  
They say that love is forever  
Your forever is all that I need  
(It goes to show i hope that you know that you are, that  
you are)  
Please stay as long as you need
