Yeah...

Yeah...

You made up your mind  
Right before the sound can move  
Something from your lips  
You leave behind  
A choice which once before you thought you could not  
resist

You give what you have when you  
Decide that you  
Keep burning like fire,  
It's burning you down

Sometimes they say it should feel something like fire  
'Til it burns you as you can't,  
You know you can't remain the same  
Stay, stay, stay, stay, stay the same  
I can't change

You're losing your light,  
Everything that was yours just does not exist  
So don't even try to say  
Sorry for the things in life you might have missed

You give what you have when you  
Decide that you  
Keep burning like fire,  
It's burning you down

Sometimes they say it should feel something like fire  
'Til it burns you as you can't,  
You know you can't remain the same  
Stay the same,  
Although you know  
They say it should feel something like fire,  
No, I can't change

Do what you wanna do  
Keep building it higher,

Keep burning it down  
You lose who you are when you  
Keep burning like fire  
Like it's all around

What do you have to prove  
I'll pray for you  
Keep burning like fire  
It's burning you down

Sometimes they say it should feel something like fire  
'Til it burns you as you can't,  
You know you can't remain the same  
Stay the same,  
Although you know  
They say it should feel something like fire

'Til it burns you as you can't  
You know you can't remain the same  
Stay the same  
Stay the same  
Stay the same
