Father, Father, tell me where have you been?
It's been hell not having you here.
I've been missing you so bad,
and you don't seem to care.
When I go to sleep at night, You're not there.
When I go to sleep at night, Do you care?
Do you even miss us?
Your bottles your mistress,

I need to know, I need to know,
Why are you walking away
Was it something I did? Did I make a mistake?
'Cause I'm trying to deal with the pain
I don't understand this, Is this how it ends?

Father, Father
Tell me where are you now?
It's been hell not having you
Last thing I heard you were fed up,
You're skipping town, with no note telling where.

When I go to sleep at night, You're not there
When I go to sleep at night, Do you care?

I need to know, I need to know
Why are you walking away?
Was it something I did? Did I make a mistake?
'Cause I'm trying to deal with the pain
I don't understand this, is this how it ends?

Why are you running away?
I don't understand this, is this how it ends?
Why are you running away?
Tell me please, tell me please, I need to know

Is this what you call a family?
Is this what you call a family?
Is this what you call a family?
Is this what you call a family?

I've been standing here wishing that you'd draw the
line. (Is this what you call a family?)

But I carry the thought along with you in my mind (Is
this what you call a family?)
Is this what you call a family? (Is this what you call a
family?)
Is this what you call a family? (Is this what you call a
family?)

Family
Family

Why are you walking away?
Was it something I did? did I make a mistake?
'Cause I'm trying to deal with the pain
I don't understand this, is this how it ends?

Why are you running away?
I don't understand this, is this how it ends?
Why are you running away?
Tell me please, tell me please, I need to know
