I'm all out of love All-e-All
I'm all out of fun All-e-All
All our hopes and dreams All-e-All
recent memories are All-e-All

I've done some wrong, but I lived it right
without regrets and without a fight,
Don't be afraid of change,
without it all would be unnamed
I'm always on the verge of All-e-All
I can hear your voice and I can still hear your call.

Hold me...

We've all had some times without an up to the down
No easy way out and no one around
of all the different roads
you chose a hand you had to fold
I'm always on the verge of All-e-All
I can hear you voice and I can still hear your call.
Always on the verge of All-e-All
I can hear your voice and, i can still hear your call

I'm all out of love All-e-All
I'm all out of fun All-e-All
All your hopes andreams All-e-All
recent memories are All-e-All

IN MY EYES

I can hear you voice I can still hear your call
spiral down the drain All-e-All
live out my dreams today before I fall
I got my down in Ray's All-e-All
I'll hold you, you hold me
I'll love you, it's IN MY EYES
I'll love you, you love me
I'll hold you, it's IN MY EYES
done some wrong but I lived it right
All in fun and I don't want to fight
I was wrong today, I was wrong today
