Once again, a simple song, for my dogs,  
Hope you sing along  
One more time for me, baby.  
Cause we were hitting the way back in the day, no  
bonds Being brok  
Just some being made  
And a hard road the way we came  
No simple solution, the way we use em'

When I get broke down, your there to pick me up.  
When I'm stuck in a rut your always up in the cut.  
All the things i've loved, and the loves i've lost  
You stood by me man that's a beautiful thing  
When I get all broke down...beautiful thing  
When I'm stuck your all around...beautiful thing  
When it's all in the backyard...beautiful thing  
When I act like a retard

On the morning when you wake,  
Your head hurts and your tummy aches  
Just think of me and laugh ,I know you can.  
Mistakes that you made last night so it seems,  
With you could take out your heart and scrub it clean  
A week from now, it won't matter then.  
Pick up the pieces and do it again

When I get broke down, your there to pick me up.  
When I'm stuck in a rut your always up in the cut.  
All the things I've loved and the loves i've lost  
You stood by me man and that's a beautiful thing  
When I get all broke own...beautiful thing  
When I'm stuck your all around...beautiful thing  
When it's all in the backyard...beautiful thing  
When I act like a retard
