I'm goin' out tonight and the feeling ain't right
I'm gonna cause some trouble baby,
Cause I'm seeing double in here.
There ain't nothin' you can do,
Cuase i'm so far gone.
I've had one too many, for so long long long

Oh well one too many got a hold on me
I'm on a rockem' sockem' psychomatic killin' spree
I got a supersuckin' motherfuckin' soul afire'
I'm just a blood lickin' sex fiendin' real live wire

I go out all night, just killing time
I go out all night, just killing time, a baby baby, baby
yeah
I go out all night, just killing time
I go out all night to have a real dead time
