I saw you before  
Deep in a dream  
Deep in a dream  
I started to soar  
Over the streets  
Over the streets  
And you might never happen again  
And you might never happen again  
No you might never happen again  
So until then I'll be dreaming of you  
Until then I'll be dreaming of you  
Until then I'll be dreaming of you  
Until then

Stay here by my side  
Deep in this dream  
Deep in this dream  
Don't laugh away life  
It's not what it seems  
Not what it seems  
And you might never happen again  
And you might never happen again  
No you might never happen again

Until then I'll be dreaming of you  
Until then I'll be dreaming of you  
So, until then I'll be dreaming of you  
Until then I'll be dreaming of you  
Until then
