Oh I can see it  
It's written on your face  
In your smile  
In your smile  
In your smile  
Oh I've been waiting  
For this day  
It's been awhile  
It's been awhile  
It's been awhile

Just say you want to stay with me  
Forever and a day  
Forever and a day  
Just say you want to stay with me  
Forever and a day  
Forever and a day

I can see it now  
It's in your heart  
In you heart  
In you heart  
Oh now I feel it  
For some time  
Been on my mind  
On my mind  
On my mind

Just say you want to stay with me  
Forever and a day  
Forever and a day  
Just say you want to stay with=2 0me  
Forever and a day  
Forever and a day
