May be unbelievable (ble,ble,ble)
May be unbelievable (ble,ble,ble)
May be unbelievable (ble,ble,ble)
May be unbelievable (ble,ble,ble)
(in the most peculiar way)

This all is too good to be true
I must be seeing things today
Cause everything keeps happening
In the most peculiar way,
In the most peculiar way,

It may be unbelievable
But it happened just that way
You came into my life
And now I want you to stay
It may be unbelievable
But it happened just that way
You came into my life
And now I want you to stay

Could it be my destiny
The way it all fell into place
Cause everything keeps happening
In the most peculiar way,
In the most peculiar way,
It may be unbelievable
But it happened just that way
You came into my life
And now I want you to stay (stay)

It may be unbelievable
But it happened just that way
You came into my life
And now I want you to stay (stay:times 13)
(Now I want you to stay)

It may be unbelievable
It may be unbelievable (stay with me,stay with
me,happened just that way
It may be unbelievable
But it happened just that way

You came into my life
And now i want you to stay.

It may be unbelievable
But it happened just that way
You came into my life
And now i want you to stay.

(happens just that way) (stay with me)
