Visit "[Born In Hell](#)" on [MotoLyrics.com](#)

The spirit from my insulated people  
Is living in my soul  
I can't forget their pain  
I can't forget when they died

Ref.

I can't forget the day I said you were my rose  
I can't forget the day when my life really start  
I can't forget the day when I was BORN IN HELL  
I can't forget the day when my life begun to run

Feel the fucking heat under my feat  
When I'm going  
To the end of the line  
To get back to earth, you gotta be strong, and fight

Soft.

Peaceful little bastard  
Open your eyes  
Clean, the way you are  
Trying to go THRU

The spirit from my insulated people  
Is living in my soul  
Feel the fucking heat under my feat  
When I'm going to the end of the line

Ref.

(Guitar solo)
