This is the story of my life
This is my estate
To all you guys
That have teased me
'Ve had enough

I was walking home from school
Suddendly I realised
That I had to do something about this.

Interlude.
I did not mean to hurt him that mutch
I couldn't control myself.

Ref.
I'm not that boy anymore
Let me see
Set me free

I'm not that boy anymore
I can feel the pain is growing

I'm not that boy anymore
Let me see
Set me free

I'm not that boy anymore
I can feel the blood in my hand

Vers 2
Goodbye, fucking world
Goodbye you damn idiots
Hope you have understand, what I have done
And what you have done.

Hope you all get a fucked up life
Whit nothing to live for
Hope you end up on the streets, where you die
Where you starve to death

Interlude.
