This is the time This is the day This is the moment We waited for

The earth is shaking The ground is breaking What is happening He is coming back

See him rising From the ground of dark And he's here to mark He's resurrection

See him destroyting All in his way And hear him screaming Pray pray pray

Ref.

Give us the heart Remove the meat Begin the ride And feel the heat RESURRECTION, he's RESURRECTION

His eyes are red Like the darkest blood And his skin is all Covered whit mud

In the middle of the day And the sun is shining There aint no more to say We are all gonna die

(Drum solo)

See him rising From the ground of dark And he's here to mark

He's resurrection

See him destroyting All in his way And hear him screaming Pray pray pray

Ref.

(Guitar solo)
