Don't touch us  
'cause we're red  
Like the hot  
We're tryin to  
Jine niggas a lot  
Uh ha ha ha ha  
We get the feelin sometimes  
That makes us wonder  
Will we always be hungry?  
(will we always be hungry?)  
We get the feelin sometimes  
That makes us wonder  
Will we always be hungry?  
(will we always be hungry?)  
Shay: broken glass

and they woke me up  
and gave me a scare  
Shay: and we just stayed outside...  
...and stared at the stairs

Don't touch us  
'cause we're red  
Like the hot  
We're tryin to  
Jine niggas (niggas niggas niggas niggas...)
