I'm Never Fresh, Never Rest, To The Jam I Had To
Rescue,
I Took The Microphone, Check One And Then I Check
Two,
Who's In The Mood To Get Down With This,
'cause I'm The Best Lyricist, Still Pumping My Fist,
I Don't Miss, Yeah, I Don't Take Hits Because I'm
Buddhist,
But By Now I Thought That She Knew This,
I Met That Girl With A Wink Of An Eye,
I Kicked The Riddle In The Middle When She Walked On
By,
I Played It, Hard To Get, So Bad I Really Like That,
I Wasn't Choosey But I Always Wore My Gym Hat,
There's No Playing When It Came To The Sex,
'cause Of The "A" To The "I" To The "D" To The "S",
Lazy Crazy On My Brain,
I Got These Muthafukas Round Driving Me Insane,
I Miss The Beat, Yeah, I Rock The Flow
And For Your Muthafukas Out There, You'll Be Ready To
Know,
That I'm En Esch And You Can't Fuck Me,
I Got My Shit On Your Record And Your Shiny Cd,
I Got The Vinyl To The Vinyl And The Wax To The Wax,
I Got The Shit So Heavy That It's Breaking My Back.

You Are Lazy, Keep On Shining On Me
You Are So Crazy, What Are You Doing To Me ?
Just Feel The Way When The Motion Is Right,
We're Both Gonna See What The Real Deal Is Like, My
Baby !!

It's Too Much Treble, It's Too Much Bass,
It's Too Much Of You, All Up In My Face,
It's Too Much, Yeah, I Can't Take It No More,
It's Too Much Bitch, Yeah, There's The Front Door,
So You Can Start Walking Until You Knew My Deal,
Because I Saw The Truth And I Felt What You Feel,
But You Don't Even Love Me, You Don't Even Care,
So There's The Door Bitch Keep Walking Showing My
Stare,

So You Can Feel My Anger, Feel My Rage,
It's Time To Close This Book And Turn The Page,
It's Time To Start A New Chapter, Get Out Of My Face,
Don't Need You Trying To Take My Place.

You Are Lazy, Keep On Shining On Me,
You Are So Crazy, What Are You Doing To Me ?
Just Feel The Way When The Motion Is Right,
We're Both Gonna See What The Real Deal Is Like, My
Baby !!

Just Feel The Way When The Motion Is Right,
We Gonna See What The Real Deal Is Like Tonite,
Then Maybe You Will Understand, That I Am The Man
And I Got The Master Plan,
I'm Gonna Make My Stand, Show You Who's Grand,
'cause I'm The Badest
Muthafuka From Here To Iran,
All Over This Land, Yeah, You Can't Run From Me,
You Best Check Yourself, 'cause You Got Lazy.

You Are Lazy, Keep On Shining On Me,
You Are So Crazy, What Are You Doing To Me ?
Just Feel The Way When The Motion Is Right,
We're Both Gonna See What The Real Deal Is Like.
You Are Lazy, Keep On Shining On Me,
You Are So Crazy, What Are You Doing To Me ?
Just Feel The Way The Future Is Bright,
We're All Gonna See What The Real Deal Is Like, My
Baby.
