Verse1

I burned for you
broke bread with you
I even gave you all my loot
At home for you
no calls from you
I feel like you
done worked a root
I took the bull
You took your time
Made love to me
You blew my mind
I pulled from you
You got me high
It's over now
and I'll tell you why

Hook

I know what love is
I know what love is
I know what love is
Love Love Love Love

Verse 2

I cared for you
I cried for you
I let you meet
my mama too
All lies from you
Broken in two
Wanted to leave
I stayed for you
So fool for you
On pause for you
Said it was love
Now what's the truth?
Confused by you
You're attitude
These silly games

You're changing moods

Hook

I know what love is
I know what love is
I know what love is
Love Love Love Love

I know I
I know I
I know I
I know I
Love Is
Love Is

Bridge:

Yeah Yeah Yeah Oh Yeah
Well I'm Frontin and I'm Grinning
But I really can't take no more

Vamp:

You don't call me anymore
It's really such a bore
Alone I am sleeping
but if love is such a chore
Then baby please ignore
how my heart is beating
