Verse 1

Hey do you remember me?
I'm the girl you loved and layed just sometime last
week
Yeah not so long ago but hey
I was hoping boy
I was hoping we could speak
You did a nasty thing
A dirty nasty thing to me
and when I'm home alone my body starts to shake
And I'm just not sure how much I can take
I hear you find a love every other week
Won't you tell me boy
Why are you so mean?

Hook

Tell me why why why
Why you wanna be so mean?
Why you wanna be
There's no need to be
You ain't gotta be

Verse 2

Boy I miss your company
I wish you'd walk back through my door but you
abandoned me
Now love don't live here anymore
I saw you in the street with another little to freak
She may call you sweets but yous a dirty little sneak
And when I'm home alone my body starts to shake
And I'm just not sure how much I can take
I here you find a love every other week
Won't you tell me boy why are you so mean?

Hook

Love
Love
Love

Love

Why Why Why Why Why Why Why Why oh oooĩ½
