Verse 1

Wish I may
Wish I might
Have these dreams that I wish tonight
Don't blame me for my appetite
Just fill me with the gifts of life

Hook

Tell me who you be
Baby can you take me
I will take you're hand to the milk and honey land

Honey Honey More Honey
Honey Honey More Honey
Honey Honey More Honey
Honey Honey More Honey
Verse 2

Push me hard so I can not stop
Drink me up
Don't you waste a drop
Let's do love
Like lunch for two
You serve me and I'll serve you

Hook

Tell me who you be
Baby can you take me
I will take you're hand to the milk and honey land

Honey Honey More Honey
Honey Honey More Honey
Honey Honey More Honey
Honey Honey More Honey

Bridge:

Well I love what you do to me
Get excited Ooh ooh Baby
I love what you do to me
ooh ooh wee
ooh ooh wee
you know I need your love
got to have your love
you know I need your love
I need
I need

Milk & Honey
Milk & Honey
Milk & Honey oh yeah oh yeah oh yeah
Honey
Honey
Honey
Honey
Honey
Honey
