Verse 1

Why can't we stop this fighting?
Why can't you see like I can see?
The wave of love is rising the tide is purifying me
My body sees your body
I swoon with instant urgency
A true reflection of me
It might as well had had been me
I hope you take suggestions
Please heed my advice
The time has just arrived
Please don't think twice

Hook

Love Potion Number 9
Come and get you some
Take a sip
Baby pass that cup
Love Potion Number 9
Come and Get you some
Take a sip
Baby drink it up

Verse2

Ever dream you live in total peace
Justice stood, the hatred ceased
Everybody had a 9 to 5
they were happy workin' doin' fine
Do you want this kind of piece of mind?
Think you'll get it in this lifetime
You can have it and it worth the dime
Love love potion number nine

Hook

Love Potion Number 9
Come and get you some
Take a sip
Baby pass that cup
Love Potion Number 9

Come and Get you some
Take a sip
Baby drink it up
