Verse 1

You can play me close if you want
get up on me tell me how you feel
kiss my lips and dig me deeper
I'm fo real
I'm fo real
You could kiss the sky while it's grey
and watch it blush and blush for days
Got me thinkin' bout changing names
When it's real it's got to be that way

Hook

Objects in the Mirror are closer than they seem
Objects in the Mirror are closer than they seem

Verse 2

Why you actin' strange?
Boy I ain't changed
yeah I'm still the same
And I ain't ashamed
I've had love for you since we met in school
So won't you come inside?
and let me satisfy
Come on inside
and let me satisfy
Come on inside
and let me satisfy

Hook repeats twice

Bridge:

I wanna share music lovin
I wanna give veggie lovin
With these words spirit lovin
Mind lovin
Truthful lovin
With my heart
Real lovin
