### Verse 1

She's tired again no time for baby when  
Her 9 to 5 is how they survive  
When Daddy's gone and then  
I'm lost again  
I'm lost again  
Knowing I can't provide

### Hook:

And every day I watch you weary  
And every day I watch you weary  
Wounded from the day  
Angered by the game  
Mama can't you hear me?

And every day I watch you weary  
And every day I watch you weary  
Wounded from the day  
Angered by the game

### Verse 2

Your movements are slow  
Still off to work  
Said you'd go with out to help me out  
You want to see me grow  
But Oh  
I'm lost again  
Sometimes I wonder  
Will I  
Will I ever win?

### Hook:

And every day I watch you weary  
And every day I watch you weary  
And every day I watch you weary  
Wounded from the day  
Angered by the game  
Mama can't you hear me?

Bridge:

Live even if the world stands still  
Love even though there's pain and ill  
Laugh if it's just to say you will  
Joy cometh in the morning still  
My debt I can't repay

Hook:

And every day I watch you weary  
And every day I watch you weary  
And every day I watch you weary  
Wounded from the day  
Angered by the game  
Mama can't you hear me?
