American man  
American man  
American man  
So don't try and tell me that  
I am a part of a  
Government of conspiracy!  
Pretty lies mean more papers  
To terrorize escapers  
For what  
It's only to please  
Asking all of those questions  
And giving no section  
And pleading fucked up insane  
Grab your remote control  
Or your biscuit and coat  
Or kick back and watch your tv  
Yeah yeah  
Cause i am an american man  
Livin' life how it ought to be  
And i aint got time for political aspects  
Shut up i was born free!  
American man  
American man  
American man  
And it's so right to fight for your rights

Lets unite!  
To save our own contry  
Through our tragic relations  
Disturbing frustrations  
For what  
It's only to please  
Getting what is not coming  
Disturbing  
You're running  
From what  
I havent a clue  
Grab your remote control  
Or your biscuit or coat  
Or kick back and watch your tv  
Yeah yeah  
Cause i am an american man

Livin' life how it ought to be  
But i aint got time for political aspects  
Shut up i was born free!  
And i am an american man  
Livin' life how it ought to be  
And i aint got time for political aspects  
Shut up! I was born free!  
Shut up! I was born free!
