A wonderful world  
A beautiful girl  
Nothing can touch or bring her down  
Life was her drug  
Everyone loved her  
But what if they could see her now

I hardly recognize myself  
Was that me or someone else

Chorus:  
You can't go, you can't go, you can't go back  
To faded photographs  
You can't go, you can't go, you can't go back  
Some things aren't meant to last  
That time was all you had  
You can't escape your past  
And you can't go back

Verse 2:  
Was I naïve  
Was it that easy  
Was it once upon a time  
So many memories  
Like fairytale stories  
Oh why can't I leave it all behind

I tried to visit yesterday  
Silly of me to think you'd wait

Bridge:  
Haunting me taunting me sometimes abusing me  
was it meant to be?  
You can't go
