I had a comb for my mother fucking dome mind  
Then I'm sleeping, I'm a chill at night  
Then my bitch you come up with some words that I dig  
Santa Ana gonna be so nice  
What \_\_\_\_ said to \_\_\_\_ then the answer to  
When this shit about to be no good  
People coming up, smoke a \_\_\_\_ of weed  
And my brother smoke a bowl of bud
