i've got  
new sunglasses  
and i've got  
backstage passes  
for y'all  
girls with fine asses  
yeah oh yeah  
sunshine, girlies and money  
what it takes to get me on a roll  
some call me mr. soul  
i went to this party  
the other night  
said i want to feel  
what my brain had felt like  
i grabbed my bottle  
and i start drinkin' wine  
i thought pretty soon  
that i would be  
feelin' fine  
but no i couldn't get high  
oh no  
and then I couldn't get high  
oh no  
and then i  
dont know why  
threw down the bottle  
and then i whipped out my pipe  
stuffed it full of goodies  
and then i gave that shit a light  
i huffed and i puffed  
good lord i  
smoked and i choked

i smoking for so long  
until my heart was nearly broke  
because i couldn't get high  
oh no  
and then i  
couldn't get high  
oh no  
and then i  
try i tried

i threw down the pipe  
just as pissed as i could be  
gobbled down a mound of some  
lsd  
i waited and i waited  
for my body to zing  
i waited i waited  
but not a fucking thing  
because i couldn't get high  
oh no  
and then i  
couldn't get high  
oh no  
lord i  
dont know why
