Whoa

Yeah

But if this world were mine

They'd play rub-a-dub all the time

But then me playin' with this double bass line

They playin' with the wicked man style

Because me born as a discipline child

Whoa

Yeah

But if this world were mine

They'd play rub a dub all the time

But then me playin' with this double bass line

They playin' with the wicked man style

Because me born as a discipline..

But since me was a youth

Me taught to love your mother

Come again now

But since me was a youth

Me taught to love your father

Said

But if you listen carefully

Then you must be consider

But the reason that we play

The music's to feel much stronger

But son you've got to take it

At least three times a day

But if you wanna be quick

And livin' in the irie way

You've got to pick it up boy

Pick it up, pick it up

But i wanna pick it up boy

Pick it up pick it up pick it up

But i wanna pick it up boy

Before he want to come to getcha' ganja say

Whoa

Yeah

But if this world were mine

They playin'rub-a-dubbin' all the time

But then me playin' with this wicked bass line

Me playin with the wicked (rub-a-dub) dub style

Because me born as a discipline child
