operation send the rescue team
operation shoot 'em on the scene
operation comin after me oh'
operation say what we will say
(go!)
breakin' rules is what we do a shame to go to waste
the potency of jah tea it leaves a bitter taste
head downtown to a bank to pull another job
i say that we were suspects caught by officer bob
see a bunch of cops
standin' over there sayin'
wave those fuckin' pistols in the mutherfuckin' air
sayin'
operation send the rescue team
operation shoot 'em on the scene
operation comin' after me oh'
operation say what we will say
(yeah!)
it doesn't take a genius
to see what we've begun
if we go down to jail say were sure to be hung
i pull my colt 45 and aim it at his head
said he turned around and closed his eyes and this is
what he said
see a bunch of cops

standin' over their sayin'
wave those fuckin' pistols in the mutherfuckin' air
sayin'
operation send the rescue team
operation shoot 'em on the scene
operation comin' after me oh'
operation say what we will say
(hit it)
see a bunch of cops
standin' over their sayin'
wave those fuckin' pistols in the mutherfuckin' air
sayin'
operation send the rescue team
operation shoot 'em on the scene
operation comin' after me oh'
operation say what we will say

oh yeah
