Baby don't move too quick just move your hands and feet

Because you know we got to get moving on

Baby don't do just weak 'cause we can't be beaten

You know you gotta keep on feeling strong

So won't you do with me funky lady

Don't leave me on a boat again

So won't you do with me funky lady

You know we wanna ska again

Don't need no reason for my moving jaws

Don't need no reason why we overload

So here she comes x4

Mexicano, San Diego, Colorado, Oregon

California and Seattle, ska diddy, ska

Wisconsin, Chicago, North and South Dakota

Missouri, Oklahoma, ska diddy, ska

Atlanta GA, Louisiana, Alabama

North and South Carolina, Texas ska diddy, ska

New York and DC, east coast Tri-state area

On every dance floor

This piece gonna carry you to, ska diddy, ska

So come on baby don't give it away

'Til you make it to the dance floor

Don't be so blue too

So here she comes x4
