But I'm just a man, but I'm just a man, but I'm just a man  
But I'm just a man you know, a wuh no  
But I'm just a man, no, but I'm just a man, but I'm just a man  
But I'm just a man you know, a wuh no

But I want your pussy till that shit gets wet  
The type of pussy makin' a [Incomprehensible] man  
them not forget  
But I want your pussy till that shit gets wet  
The type of pussy makin' a [Incomprehensible] man  
them not forget

They want to say, the little woman  
But a tell me that you're straight from the heart  
But I want the woman that could tear mine apart  
But I want the woman comin' up tellin' me that you'll  
say, yes  
But I want the reason that you're givin' up for today

But I'm just a man, but I'm just a man, but I'm just a man  
But I'm just a man you know, a wuh no  
But I'm just a man no, but I'm just a man, but I'm just a man  
But I'm just a man you know, a wuh no

But I want your pussy till that shit gets wet  
The type of pussy makin' a [Incomprehensible] man  
them not forget  
But I want your pussy till that shit gets wet  
The type of pussy makin' a [Incomprehensible] man  
them not forget

They want to say, the little woman  
But a tell me that you're straight from the heart  
But I want the woman that could tear mine apart  
But I want the woman comin' up tellin' me that you'll  
say, yes  
But I want the reason that you're givin' up for today

But I'm just a bad boy, yes me just a rude boy, boy  
But a one, he said he, "What's your duty boy?"  
But-a-whatch-a bad boy, yes me just a rude boy, boy  
But a one, he said he, "What's your duty boy? "
