Zero tolerance is somethin' that i call
When i don't give a shit about anything at all
And i don't take any crap from anybody else
So they can all just kiss my ass
And go to fuckin' hell
Two, three, four
When i am walking down the street
When somebody calls to me
Hey you little fucking faggot bastard ass pussy
My eyes turn red
My fists are clenched
And something snaps inside
I take a rock up to their heads and bash it open wide
Three four
Never stop the rhythm just to think about it twice
Cause i dont give a shit whats right or wrong or which
ways nice

I don't take no shit from just anyone but me
And Im kinda vicious when the people mess with me
Two three four
When i am walking down the street
When someone calls to me
Hey you little fucking faggot bastard ass pussy
My eyes turn red
My fists are clenched
And something snaps inside
I take a rock up to his mother fucking head and I bash it
open wide!
Three four
Zero tolerance is somethin' that i call
When i don't give a shit about anything at all
And i dont take any crap from anybody else
So they can all just kiss my ass and go to fuckin' hell
