

Deadboy & the Elephantmen "Break it off"

Visit "[Break it off](#)" on MotoLyrics.com

I ain't got no tears wasted on you, dead man
There is no time for you to steal from the truth

I hope that they stick it in, break it off, dead man
I hope that they stick it in, break it off, dead man

[x3]

When they had me in a hole, my father lost control of
his soul

I hope that they stick it in,

break it off, dead man

[x4]

There is no time for you to steal from the truth

[x3]

I hope they stick it in,
break it off, dead man

I have got no tears to waste on you, deadman
Oh dead man *[x5]*

Dead man *[x10]*
