Dream girl, I know your love for me is gone
Dream girl, I know your love for me is gone
You love me baby-hey, you know you won't do nothing
wrong

You ride around baby, in your long black limousine
You ride around baby, in your long black limousine
Well I just wanna be your chauffeur, to drive you 'round
and keep it clean

Well I'm the king bee, you let me first all down your
hive
When I'm the king bee, you let me bust all down your
hive
Well now your honey's bad baby, and you won't even
let me ride
