Well, you had me

Where you want me

Baby, did me like you pleased

But after ten long years

My heart began to get even

That's alright

Whoa, that's alright

S'alright the way ya doin' me

Baby, you'll be sorry one day

Well, whenever there was trouble

I was always around

But when ya got on your feet

You know, you put me down

That's alright

Whoa, that's alright

S'alright the way ya doin' me

Baby, you'll be sorry one day

(guitar & instrumental)

Well, it's a-one thing 'bout the women

That I just can't understand 'em

Ev'rything they need

But still they wants another man

That's alright

Whoa, that's alright

S'alright the way ya doin' me

Baby, you'll be sorry one day

(harmonica & instrumental)

Well, when your troubles
Start to fallin, baby
Just like the rain
You're gonna need me, baby
Just to hold yo' hand

That's alright
Whoa, that's alright
S'alright the way you did me
Baby, you'll be sorry one day.

(harmonica to end)
